GUERNSEY'S ILS OFFERING ▶

Guernsey is a bespoke ILS jurisdiction specialising in deals created in conjunction with both investors and managers.

The emergence of Guernsey as a specialist centre for ILS is due to the island's long track record and existing expertise gained in the investment funds and insurance sectors which are optimised and combined in the ILS offering. Fund managers and promoters with capital to deploy are brought together with transformation managers who understand insurance risk.

Guernsey provides access to capital markets notably the London Stock Exchange (LSE) and other international exchanges including Hong Kong, Toronto, Ireland and Euronext, as well as the Channel Islands Securities Exchange (CISE).
